**Dear Donor,**

We are glad to share that with activities undertaken by our team in **October-2019**, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people. Like every month, This October we are sharing the various activities done by us. Our activities include the **distribution of food to combat hunger, and free health camps to extend support to 1250 special kids of various schools, distribution of stationary, sweets , crackers** etc. Fortunately, we got the chance to celebrate Diwali and spread the bliss of giving love with God's special kids. Thanks for your tireless support in enlightening the lives of many.
