

Dear Donor,

We are glad to share that with activities undertaken by our team in **November-2019**, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people. Like every month, This November we are sharing the various activities done by us. Our activities include the **distribution of food to combat hunger, free distribution of masks to fight against air pollution, and free blood donation camps, self defense camps, eye camps to extend support to save lives** etc. Fortunately, we got the chance to celebrate Children's Day and Birthday Celebration to spread the bliss of giving love with God's special kids. Thanks for your tireless support in enlightening the lives of many.
