

Dear Donor,

We are glad to share that with activities undertaken by our team in June -2022, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, This June we are sharing the various activities done by us. Our activities include the distribution of clothes, and nutritional food on daily basis in slums, women wellness drive, health drives etc to extend support for the underprivileged people of our society.

In these difficult times, we got the chance to save our society and work for needy people to spread the bliss of giving love. We pray for all to stay safe and stay healthy. Thanks for your tireless support in enlightening the lives of many.
