

Dear Donor,

We are glad to share that with activities undertaken by our team in February 2024, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, this February 2024 we are sharing our various activities done by us. Our activities include special educational activities in our rehab, free distribution of nutritional food, free clothes, toys, stationary, Maa Dham program for old aged women and Garima Project for teaching women tailoring and stitching. Free Women Hygiene Kits, Self Defence training program, ration distribution drives is an effort to extend support for the underprivileged people of our society in this extreme winter.

Thanks for your tireless support in enlightening the lives of many.
