

Dear Donor,

We are glad to share that with activities undertaken by our team in May 2024, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, this May 2024 we are sharing our various activities done by us. Our activities include special educational activities in our rehab, free distribution of nutritional food, free clothes, and free dental checkup, Garima Project for teaching women tailoring and stitching free of cost. Free Counselling Session and Art & Craft skills is an effort to extend support for the underprivileged people of our society.

Also, we celebrated Mother's Day with these kids and gave unconditional love and blessings.

Thanks for your tireless support in enlightening the lives of many.
