

Dear Donor,

We are glad to share that with activities undertaken by our team in August 2025, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, this August 2025 we are sharing our various activities done by us. Our activities include special educational activities in our rehab, free distribution of nutritional food, free clothes, computer literacy program, counselling session, virtual sessions as an effort to extend support for the underprivileged people of our society.

We also support women with tailoring program, our motive to empower them so that they are independent. Our Birthday celebration and Rakhi Celebration in our rehab gave joy to kids.

Thanks for your tireless support in enlightening the lives of many.
