

**Dear Donor,**

We are glad to share that with activities undertaken by our team in November 2025, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, this November 2025 we are sharing our various activities done by us. Our activities include special educational activities in our rehab center, free distribution of nutritional food, free clothes, computer literacy program, BPO training session, counselling session, virtual sessions as an effort to extend support for the underprivileged people of our society.

We also support women with tailoring program, our motive to empower them so that they are independent. Our Blanket Drives in Delhi & NCR an effort to provide warm blankets to homeless individuals, families, and the elderly during this extreme cold weather.

Thanks for your tireless support in enlightening the lives of many.
