SMILE INDIA TRUST

Dear Donor,

We are glad to share that with activities undertaken by our team in April 2026, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, this April 2026 we are sharing our various activities done by us. Our activities include special educational activities in our rehab center, free distribution of nutritional food, computer literacy program, BPO training session, counselling session, virtual sessions, tailoring program and other programs as an effort to extend support for the underprivileged people of our society.

A massive fire swept through the Kanawani slum cluster in Indirapuram reducing over 150 jhuggis to ash our relief drive supported them on daily basis by nutritional diet, water and counselling, an effort to provide warmth to homeless individuals, families, and the elderly.

Thanks for your tireless support in enlightening the lives of many.
