SMILE INDIA TRUST

Dear Donor,

We are glad to share that with activities undertaken by our team in May 2026, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, this May 2026 we are sharing our various activities done by us. Our activities include special educational activities in our rehab center, free distribution of nutritional food, computer literacy program, BPO training session, counselling session, virtual sessions, tailoring program, stationary distribution, Women Hygiene Wellness drive and other programs as an effort to extend support for the underprivileged people of our society. We also conducted a parent teacher meet for all the students in our rehab to explain their parent the overall development and growth.

Thanks for your tireless support in enlightening the lives of many.
